## POWDER MIX

### The irresistible flavour of AROMAS and FRAGRANCES of India

Thanks to UNIVERCIOK, you can have a product at your location that is already widely appreciated in America, England and Germany, strictly **MADE IN ITALY**.

**CHAI** is a traditional Indian beverage made of **BLACK TEA**, **MILK** and **SPICES**, which has digestive, thirst-quenching and antioxidant properties.

It can be prepared in two delicious versions:

**CHAI TEA**: prepared by dissolving the powder mix in boiling water like classic tea.

**CHAI LATTE**: prepared by dissolving the powder mix in boiling milk, you can obtain a product more like a creamy cappuccino with a soft foam (to get maximum cream, the use of a steamer is recommended)
